\* The reminder fee is a fee exempt from VAT. All other fees are including VAT.

\*\* Your BroBizz may have been frozen when you arrive at a tollbooth. At some tollbooths you will get a 'Green Card' which means that you are allowed to drive through even if your BroBizz has been frozen. The condition of driving through is that you update your payment card within 5 days. This allows us to withdraw payment for your trip. If you do not update the payment card, you will receive an invoice from us, and the invoice will also include an invoice fee.
