As a consumer you have the right to cancel this agreement without giving any reason within 14 days. Read more under "the Right to Cancel".

If you have ordered a bizz transponder, the defective goods regulations under the Sale of Goods Act apply to the order, which means that you have certain statutory rights in relation to the bizz transponder in accordance with the contract.

By completing the purchase you will also have accepted our terms of contract.

Ordering

The online shop is open 24 hours a day, but may be closed due to maintenance. We try wherever possible to undertake such maintenance at night.

An order that is placed on a public holiday will be processed on the next working day.

You must be at least 18 years old to place an order via the Website or App and possess a valid credit card that is accepted by us.

If you have ordered a bizz transponder, we can only proceed with your order if the delivery address is in one of the countries on our "We send to" list.

We reserve the right to cancel any Agreement in one of the following situations, without being liable for compensation or other costs:

- Your payment details are incorrect or cannot be verified
- Your order has been placed with the intention of committing fraud, etc., or given as part of a criminal action or other illegal activity
- We have reason to believe that you are under the age of 18

At which point in the ordering process are you bound by your order?

Before placing your order, you have the opportunity to amend the details you have provided, including delivery and invoice information or payment details.

When you have keyed in your payment details and clicked "confirm order", "order" or "pay", a receipt will appear on your screen. You are bound by the agreement from that point onwards. For more information, please refer to "the Right to Cancel".

When you order Number Plate Payment, you will be able to use this option shortly after having placed the order.

Please contact our Customer Service if you made an error when placing your order, they are on hand to help you.

The Right to Cancel

As a consumer, you have the right to withdraw from this agreement without giving any reason within 14 days. The Right to Cancel does not apply if the bizz transponder has been used. You have used your bizz transponder, when a passage has been registered on the bizz transponder by an operator (e.g. on a toll bridge, road, ferry or similar).

If you have only chosen Number Plate Payment as means of identification, the cancellation period expires 14 days after the day on which the agreement was concluded.

If you have only chosen the bizz transponder as means of identification or has chosen both the bizz transponder and Number Plate Payment, the cancellation period expires 14 days after the day on which you or your nominated third party, other than the carrier, take physical possession of the bizz transponder.

To exercise your Right to Cancel, you must inform us of your decision to cancel in plain terms (e.g. by letter or e-mail). You may also use the following standard cancellation form, but this is not compulsory.

The cancellation deadline is met if you send notification of your decision to exercise your Right to Cancel before the cancellation period has expired.

Consequences of a cancellation

If you exercise your Right to Cancel and have chosen the bizz transponder as means of identification, we will refund your payment without any unnecessary delay and, under all circumstances, no later than 14 days from the date we receive notification of your decision to cancel this contract. We may, however, withhold the refund until the bizz transponder has been returned to us or you have supplied evidence of having returned it, whichever is the earliest.

You are only liable for damage to the bizz transponder which is due to any other handling than what is necessary to determine its type, properties or the way in which it works.

We will process the refund using the same method of payment that you used for the initial transaction unless you have expressly agreed otherwise. Under all circumstances, you will not be liable for any fees as a result of the refund.

You are responsible for any direct costs of returns.

If you have taken delivery of a bizz transponder, you must return the bizz transponder or deliver it to us with no undue delay and no later than 14 days from the date that you informed us of your decision to exercise your Right to Cancel this contract. The deadline will be met if you expedite the return within the 14 day period.

We recommend that you save the certificate of posting as proof that you have delivered the package to the post office/carrier.
